IN RE: Application of Movers and Groovers, Inc.,)	ORDER GRANTING
1023 Wappoo Road, Suite A-15, Charleston,)	REINSTATEMENT OF
South Carolina 29407 (District 1) for a Class)	CERTIFICATE
E (Household Goods) Certificate of Public)	
Convenience and Necessity)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Movers and Groovers, Inc. (“Movers and Groovers” or “Applicant”) to reinstate Class E (Household Goods) Certificate of Public Convenience and Necessity No. 9763. The record reveals that Class E Certificate No. 9763 to transport household goods in South Carolina was granted to Movers and Groovers pursuant to Commission Order No. 2007-728, dated October 23, 2007.

On May 19, 2008, ORS filed a petition seeking revocation of the Certificates of Public Convenience and Necessity of certain motor carriers for failure of the certificated carriers to file annual reports as required by 26 S.C. Code Ann. Regs. 103-231 (Supp. 2007). The record reflects that Movers and Groovers was listed in ORS’ petition as a certificated carrier in non-compliance with the requirement to file annual reports. The Commission held a hearing on August 13, 2008, on the petition of ORS, and Movers and Groovers’ certificate was among those that were found in non-compliance by the Commission and ultimately revoked by Order No. 2008-590 that resulted from this proceeding.

On October 28, 2008, a request was filed with the Commission by Movers and Groovers seeking reinstatement of the Applicant's Certificate. By letter filed on November 5, 2008, the ORS requested postponement of the Commission's ruling on the Applicant's request for reinstatement in order to give ORS an opportunity to perform a compliance audit of Movers and Groovers. The Commission granted ORS' request in Order No. 2008-777, dated November 17, 2008, postponing the ruling on Movers and Groovers' request to allow ORS time to perform its audit for compliancy.

On December 3, 2008, ORS submitted its final findings of the compliance audit advising that Movers and Groovers' records were in order and that Movers and Groovers' annual report had been received. Due to the Applicant's compliance, ORS states that it does not oppose the Commission's consideration of Movers and Groovers' request.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the revocation of the Applicant's Certificate should be lifted and that the Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations. The original Application filed by Movers and Groovers, Inc. provides documentation regarding the Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

IT IS THEREFORE ORDERED:

1. That Class E (Household Goods) Certificate of Public Convenience and Necessity No. 9763 in the name of Movers and Groovers, Inc. be, and hereby is, reinstated, subject to compliance with all Commission Rules and Regulations.

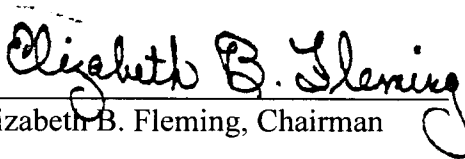

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing with the Office of Regulatory Staff proof of appropriate insurance, the payment of license fees, and such other information required by law, the motor carrier services authorized by the Certificate shall not be provided.

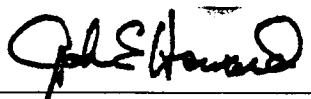

4. That failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Office of Regulatory Staff proof of appropriate insurance and the payment of license fees and such other information required by law or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in this Order being revoked.

5. That this Order shall remain in full force and effect until further Order of the Commission.
